

| Phylum | Class | Order | Family | Scientific name or # of species | Common name |
|------------|-----------|------------------------------------|------------------|---------------------------------|--------------------------|
| Arthropoda | Arachnida | Araneae (spiders) | Sparassidae | <i>Delena cancerides</i> | communal huntsman |
| Arthropoda | Insecta | Blattodea (cockroaches) | Ectobiidae | 3 species | wood cockroaches |
| Arthropoda | Insecta | Coleoptera (beetles) | Anthicidae | <i>Trichananca</i> sp. | ant-like beetles |
| Arthropoda | Insecta | Coleoptera (beetles) | Cleridae | 1 species | checkered beetles |
| Arthropoda | Insecta | Coleoptera (beetles) | Coccinellidae | 2 species | ladybeetles |
| Arthropoda | Insecta | Coleoptera (beetles) | Curculionidae | 1 species | long-horned beetles |
| Arthropoda | Insecta | Coleoptera (beetles) | Latridiidae | <i>Corticara gibbosa</i> | |
| Arthropoda | Insecta | Coleoptera (beetles) | Melandryidae | 1 species | false darkling beetles |
| Arthropoda | Insecta | Coleoptera (beetles) | Ptinidae | 1 species | spider beetles |
| Arthropoda | Insecta | Coleoptera (beetles) | Staphylinidae | 2 species | rove beetles |
| Arthropoda | Insecta | Diptera (flies) | Asilidae | 1 species | robber flies |
| Arthropoda | Insecta | Diptera (flies) | Bombyliidae | 1 species | bee flies |
| Arthropoda | Insecta | Diptera (flies) | Calliphoridae | 1 species | blow flies |
| Arthropoda | Insecta | Diptera (flies) | Cecidomyiidae | 1 species | gall midges |
| Arthropoda | Insecta | Diptera (flies) | Ceratopogonidae | <i>Culicoides marksii</i> | biting midge |
| Arthropoda | Insecta | Diptera (flies) | Chironomidae | <i>Tanytarsus</i> | non-biting midge |
| Arthropoda | Insecta | Diptera (flies) | Chloropidae | <i>Chlorops</i> | frit flies |
| Arthropoda | Insecta | Diptera (flies) | Chloropidae | 8 species | frit flies |
| Arthropoda | Insecta | Diptera (flies) | Dolichopodidae | 2 species | long-legged flies |
| Arthropoda | Insecta | Diptera (flies) | Muscidae | <i>Coenosia attenuata</i> | hunter fly |
| Arthropoda | Insecta | Diptera (flies) | Muscidae | 1 species | house flies |
| Arthropoda | Insecta | Diptera (flies) | Phoridae | <i>Diplonevra</i> | phorid flies |
| Arthropoda | Insecta | Diptera (flies) | Phoridae | <i>Megaselia</i> | phorid flies |
| Arthropoda | Insecta | Diptera (flies) | Phoridae | 9 species | phorid flies |
| Arthropoda | Insecta | Diptera (flies) | Platystomatidae | 1 species | signal flies |
| Arthropoda | Insecta | Diptera (flies) | Psychodidae | <i>Clogmia albipunctata</i> | drain flies |
| Arthropoda | Insecta | Diptera (flies) | Pyrgotidae | <i>Cardiaca</i> | pyrgotid flies |
| Arthropoda | Insecta | Diptera (flies) | Sciaridae | 2 species | dark-winged fungus gnats |
| Arthropoda | Insecta | Diptera (flies) | Sphaeroceridae | 1 species | small dung flies |
| Arthropoda | Insecta | Diptera (flies) | Syrphidae | <i>Meliscaeva</i> | hoverflies |
| Arthropoda | Insecta | Diptera (flies) | Tachinidae | <i>Halydaia</i> | tachinid lies |
| Arthropoda | Insecta | Diptera (flies) | Tachinidae | 2 species | tachinid lies |
| Arthropoda | Insecta | Diptera (flies) | Therevidae | 1 species | stiletto flies |
| Arthropoda | Insecta | Diptera (flies) | | 1 species | |
| Arthropoda | Insecta | Hemiptera (true bugs) | Aphalaridae | 1 species | |
| Arthropoda | Insecta | Hemiptera (true bugs) | Cicadellidae | <i>Austroagalloides</i> | leaf hoppers |
| Arthropoda | Insecta | Hemiptera (true bugs) | Cicadellidae | <i>Orosius argentatus</i> | brown leafhopper |
| Arthropoda | Insecta | Hemiptera (true bugs) | Cicadellidae | 2 species | leaf hoppers |
| Arthropoda | Insecta | Hemiptera (true bugs) | Lygaeidae | 1 species | seed bugs |
| Arthropoda | Insecta | Hemiptera (true bugs) | Miridae | <i>Coridromius chenopoderis</i> | |
| Arthropoda | Insecta | Hemiptera (true bugs) | Miridae | 1 species | plant bugs |
| Arthropoda | Insecta | Hemiptera (true bugs) | Psyllidae | <i>Acizzia uncatoides</i> | psyllids |
| Arthropoda | Insecta | Hemiptera (true bugs) | Psyllidae | 1 species | psyllids |
| Arthropoda | Insecta | Hemiptera (true bugs) | Thaumastocoridae | 1 species | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Aphelinidae | <i>Aphelinus</i> | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Aphelinidae | 1 species | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Bethylidae | <i>Rhabdepyris</i> | flat wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Bethylidae | 3 species | flat wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Braconidae | <i>Ascogaster</i> | braconid wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Braconidae | <i>Chelonus</i> | braconid wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Braconidae | 1 species | braconid wasps |

| | | | | | |
|------------|---------|------------------------------------|----------------|-------------------------------|----------------|
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Ceraphronidae | 1 species | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Colletidae | <i>Hylaeus</i> (2 species) | native bees |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Crabronidae | <i>Tachysphex</i> | sand wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Crabronidae | 1 species | sand wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Diapriidae | 4 species | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Dryinidae | 2 species | pincer wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Encyrtidae | 3 species | encyrtid wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Eulophidae | <i>Aprostocetus</i> | eulophid wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Eulophidae | 7 species | eulophid wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Eupelmidae | <i>Anastatus</i> | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Eurytomidae | 1 species | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Figitidae | 2 species | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Formicidae | <i>Anonychomyrma</i> | ants |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Formicidae | <i>Camponotus</i> | ants |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Formicidae | <i>Melophorus</i> | ants |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Formicidae | <i>Monomorium</i> | ants |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Formicidae | 7 species | ants |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Halictidae | <i>Lasioglossum fasciatum</i> | native bee |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Ichneumonidae | <i>Anacis</i> | Darwin wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Ichneumonidae | <i>Dusona</i> | Darwin wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Ichneumonidae | <i>Eriborus</i> | Darwin wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Ichneumonidae | 3 species | Darwin wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Megastigmidae | 1 species | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Mutillidae | 2 species | velvet ants |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Mymaridae | <i>Anagroidea</i> | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Mymaridae | <i>Lymaenon</i> | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Platygastridae | 5 species | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Pompilidae | <i>Paracyphononyx</i> | spider wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Pompilidae | 1 species | spider wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Pteromalidae | <i>Acroclisoides</i> | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Pteromalidae | 2 species | |

| | | | | | |
|------------|---------|-------------------------------------|-----------------|---------------------------------|----------------------------|
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Scelionidae | <i>Telenomus</i> | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Scelionidae | 2 species | |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Sphecidae | <i>Podalonia tydei</i> | mud-dauber wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | Tiphiidae | 2 species | flower wasps |
| Arthropoda | Insecta | Hymenoptera (ants, bees and wasps) | | 2 species | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Depressariidae | <i>Hypertropha</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Erebidae | <i>Anestia semiochrea</i> | marbled footman |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Gelechiidae | <i>Ardozyga catarrhacta</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Noctuidae | <i>Proteuxoa microspila</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Nolidae | <i>Uraba lugens</i> | Gum-leaf skeletoniser moth |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Oecophoridae | <i>Acanthodela protophaes</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Oecophoridae | <i>Garrha carnea</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Oecophoridae | <i>Heteroteucha occidua</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Oecophoridae | <i>Hoplostega</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Oecophoridae | <i>Prodelaca leptochroma</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Oecophoridae | <i>Scatochresis</i> (2 species) | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Tortricidae | <i>Dichelia clarana</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Xyloryctidae | <i>Scieropepla polyxesta</i> | |
| Arthropoda | Insecta | Lepidoptera (moths and butterflies) | Xyloryctidae | <i>Telecrates laetiorella</i> | |
| Arthropoda | Insecta | Neuroptera (lacewings) | Coniopterygidae | 1 species | dustywings |
| Arthropoda | Insecta | Neuroptera (lacewings) | Hemerobiidae | <i>Micromus tasmaniae</i> | Tasmanian lacewing |
